Ethiopian Airlines takes pride in its role as the host of the highly anticipated Aviation Stakeholders Convention and Inaugural African Aviation Safety and Operations Summit, both of which are prestigious events organized by the African Airlines Association. These significant gatherings are scheduled to occur from May 12 to May 15, 2024, at the renowned Ethiopian Skylight Hotel.

We are delighted to inform the relevant immigration authorities, esteemed meeting participants, and airlines entrusted with the transportation of these participants to Ethiopia that the Ethiopian Immigration and Citizenship Service has made appropriate arrangements for the facilitation of visa issuance upon arrival at Addis Ababa Airport.

With great anticipation, we eagerly await the arrival of all distinguished participants, and we extend our warmest welcome to each of them.
