**Subject: Official Invitation – AFRAA African MRO Conference 2026 |  
Addis Ababa, Ethiopia**

Ethiopian Airlines is honoured to host the African MRO Conference 2026, organized by the African Airlines Association (AFRAA) in partnership with Ethiopian MRO, EgyptAir Maintenance & Engineering, Kenya Airways MRO, and South African Airways Technical. The conference will take place from 29–31 March 2026 in Addis Ababa, Ethiopia, at the Ethiopian Skylight Hotel.

The event will convene senior aviation leaders, engineering and maintenance executives, regulators, and industry stakeholders to advance Maintenance, Repair, and Overhaul (MRO) capabilities across the African aviation sector. The program will include strategic discussions, networking engagements, and facility visits at Ethiopian MRO.

This letter serves as an official invitation to delegates attending the African MRO Conference 2026. We kindly request the appropriate authorities to extend the necessary assistance in facilitating entry formalities for participants traveling to Ethiopia for this conference.

We appreciate your cooperation and support in facilitating the successful participation of international delegates in this important industry event.

Sincerely,

Mesfin Tasew  
Chief Executive Officer  
Ethiopian Airlines Group
